QUICK START GUIDE

OSHA SAFE NOISE EXPOSURE LIMITS CHART

**1 year of warranty coverage for the following, due to workmanship:**

- External defects to shells
- Internal defects to driver components

To activate your warranty, please register your Fender® Custom IEMs by going to: [www.fender.com/product-registration](http://www.fender.com/product-registration)

Fender Custom IEMs come with a **30-Day Fit Guarantee** to ensure the ideal fit of your in-ear monitors. To make your claim:

- 1 Send a note with your product to our Fender Custom IEMs shop within 30 days. You are responsible for the cost of shipping to our shop.
- 2 Fender will cover the cost of shipping the refitted in-ear monitors back to you. If refitting is not possible, we may, at our discretion, rebuild your in-ear monitors. For more information, please call us at **629-228-7799**.
