## Charging Rechargeable Battery:

Connect USB cable (B) to power source. LED light (C) will turn red during charging and green when fully charged. Unplug unit when fully charged.

#### Installation:

**Important:** for best results make sure surface is flat, clean, and non-porous.

Wet suction cups (D). Attach unit to clips (D). Position unit as desired. Clips (D) can be rotated 360 degrees if needed.

#### How to Use:

Tap unit (C) to turn light on. Continue tapping to increase brightness or to turn off. Unit contains 3 levels of brightness: low, medium, and high.

## Cleaning:

Occasionally clean with a damp cloth. Note: never use solvents or abrasive cleaning agents.

Vertical: Horizontal: Charging:

### **CAUTIONS:**

To prevent electrical shock, damage, or possible injury, keep away from moisture, water, or liquids.

Always unplug unit from electrical power sources before each use.
