NION BEAUTY®

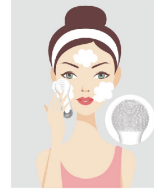

## THE BEST KEPT SECRET TO YOUTHFUL RADIANCE

### EVERYDAY SKINCARE MADE EASY

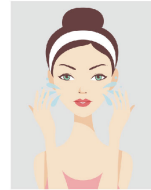

#### 1. Prepare

Apply your favorite cleanser. Wet your Opus Luxe and switch it to "cleansing" mode by holding down the power button.

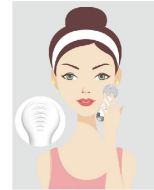

#### 2. Cleanse

Let your Nion do its thing! Gently guide the Opus across your face in a circular motion for 3 minutes.

#### 3. Rinse

Rinse your face and pat dry for gorgeous, glowing skin.

#### 4. Glow

Activate your Opus Luxe's anti-aging mode by holding down the power button again for 1.5 seconds during "cleansing" mode and massage problem areas for a boost of youthful radiance.
