

SHARPER IMAGE®

HEATED WEARABLE BLANKET

Item No. 207821

User Guide

Thank you for purchasing the Sharper Image Heated Wearable Blanket. Please take a moment to read this guide and store it for future reference.

PLEASE NOTE: *For your safety, this blanket must be used flat. Do not sit on, crumple or lay on top of this blanket while it is turned on.*

FEATURES

- Chest/abdomen level heating area
- Adjustable heat [Low/Medium/High]
- 30-minute auto shutoff timer

HOW TO USE

- Connect the male end of the power adapter to the female end of the Heated Wearable Blanket.
- Plug the power adapter into an AC outlet.
- Put on the Heated Wearable Blanket so that the heating panel is facing front and remains flat and smooth.
- Press and hold the power button on the Heated Wearable Blanket for three seconds. The default setting is High heat and will display a RED light.
- Press the power button once to change the heat setting.
- To turn OFF the Heated Wearable Blanket, press and hold the power button for three seconds or until the LED light turns OFF.
- For safety, the power will turn OFF automatically within 30 minutes in every setting. **NOTE:** *Unplug the power adapter from the AC outlet when not in use.*

CAUTION

- This device is not intended to be used by children.
- Excessive exposure to heat can lead to burns.
- Discontinue use if you see redness on the skin.
- Do not modify the unit or use it for any unintended purpose.
- Stop using the product immediately if you experience overheating or discomfort.
- Do not use the product when wet.
- To prevent injury, do not sit on, crumple or lay on top of this blanket while it is turned on.
- Do not use this device if the cord appears frayed or damaged. Contact Sharper Image Customer Service immediately.

CARE AND MAINTENANCE

- Unplug the Heated Wearable Blanket from the AC outlet before cleaning.
- Machine wash cold with similar colors.
- Do not bleach.
- Do not iron.
- Line dry.
- Do not dry clean.
