

**Item Number: 208409-01**  
**Item Name: Discreet Cooling Necklace**

To Use: Freeze Chicklet necklace or bracelet in the freezable travel pouch for at least 4 hours or overnight.

To Wear: Once frozen, enjoy up to 30 minutes of cooling relief depending on your environment. Once no longer cold, re-cool your jewelry in the travel pouch. Pouch will stay cold for a few hours.

To Clean: Use a soft cloth to wipe chicklets clean.

Note:

Do not heat or microwave.

Not a toy or teething toy for babies.

Necklace clasp uses a magnet. If you have a pacemaker, please consult a doctor before wearing.
