

Introduction

Congratulations! Your game day is about to become much cooler with your new PickSix Game Cooler. This 4L capacity cooler provides portable storage and cooling for your cold food and drinks. This unit cools up to 25°F below its surrounding ambient temperature. Show off your team spirit at parties, tailgates, in your home or at the office!

Features

- 4L capacity chamber that fits six 12oz soda cans.
- A removable shelf and a door compartment for extra storage space.
- Built-in handle for easy transportation.

What's Included

- 4L PickSix Game Cooler
- Power Cable
- User guide

Getting Started:

1. Plug one end of the power cable into the cooler and the other end into an AC outlet.
2. Slide the power switch to the ON position. A green indicator light will light up once the unit starts working.
3. To open the fridge, press the button on the side of the helmet and pull the door.
4. Turn the power switch to the OFF position to turn the unit off.

Important Notes:

- The PickSix Game Cooler's cools up to 25°F below its surrounding ambient temperature. The colder the ambient temperature, the lower the temperature inside the unit.
- Only carry the cooler via the top handle. Do not carry it by the helmet's face mask.

Care and Maintenance

- Do not block the cooler's ventilation area when the unit is in use. Allow for at least 2 inches from the back and the sides of the unit to ensure proper air flow.
- Do not pour water or other liquids directly into the unit.
- Use a damp cloth to clean the unit. Do not submerge it in water.
- Avoid dropping the unit.
- Keep the unit away from fire and flammable substances.
- Do not store meats, poultry, fish, dairy and other perishable items inside the unit.
- Ensure that the unit is off and unplugged before cleaning.
