

## How to set the new combination:

The default combination is 0-0-0. To set your own combination, please follow these steps:

- 1. Press the top button to spring open the lock.
- 2. Set the combination resetter from Fig A to Fig B.
- 3. Set your desired personal combination by turning the dials.
- Set the combination resetter from Fig B back to Fig A to complete the resetting.

Please write down your combination and put it in a safe place.

## How to use the lock

(for example, 8-8-8)

- Put the lock over the stopper as the right figure shows. Lock the lid and scramble the dials to lock it.
- Turn the dials, aligh the number to the middle convex line. To the button to open the lock.
