## 1 Activate your profile

To activate your Storii profile, call the phone number on the enclosed instructions card or go to [storii.com/start](https://storii.com/start) and follow the prompts displayed. You will be asked to provide your name, your preferred days and times to receive phone calls and to confirm your phone number. You will also be prompted to enter your unique activation code, which can be found enclosed within this box.

## 2 Receive calls or call-in to record answers

Storii will call the phone number you specify up to 3 times a week over 12 months to ask curated questions about your life. You can also call the number we call from at any time to record life story answers. You will have up to 10 minutes to record each answer. All answers are automatically transcribed and saved to your Storii profile.

## 3 Add your own questions and share answers with family

Download our app or visit [storii.com/login](https://storii.com/login) to access your profile and your recorded answers. To login, enter your phone number as your username. Within your profile you will be able to add or edit upcoming questions, change the order questions will be asked and alter the days and times you will receive calls. You'll also find options to connect with family and friends to share your answers!
