

## INSERT CARDS INTO THE WALLET

1

### ORGANIZE CARDS

Order and stack your cards such that the most commonly used is at the top and the most frequently RFID scanned is at the bottom.

2

### INSERT CARDS

Slide the stack of cards into the wallet diagonally. Rotate the cards clockwise to insert them into the wallet.

## FAN OUT CARDS AND CARD SELECTION

1

### TOP CARD ACCESS

Withdraw your top card by rotating the card counter clockwise with your thumb using the quick card slot.

2

### FANNING YOUR CARDS

Push the lever up with your thumb to fan out the cards.

3

### CARD SELECTION

Push in the cards above the card you want to remove to allow access to remove your desired card.

4

### MAGSAFE COMPATIBLE

The Fantom M is compatible with iPhone's MagSafe. The wallet must be attached to the iPhone in the orientation shown.

**WARRANTY****Limited Lifetime Warranty**

Each Fantom Wallet purchased from our website, an authorized retailer, or our Kickstarter campaign comes with a limited lifetime warranty. Ansix Designs warrants that the purchased product is free from any manufacturing defects and will function as intended for the life of the product. Fantom Wallets with defects in materials or workmanship will be replaced or repaired at the discretion of Ansix Designs for the practical lifetime of the product. This warranty does not cover: normal wear and tear of the plastic parts; scratches on the outer plates; damages caused by accident, abuse, neglect, shock; improper use or storage of the product; unauthorized alterations or repairs.

**Wear and Tear Warranty**

Product damaged through wear and tear, misuse, or neglect can be replaced by Ansix Designs at 50% of the MSRP. Changing to a different Fantom Wallet, such as different size, color, option, is eligible for this Wear and Tear Warranty. This Wear and Tear Warranty can be claimed repeatedly and at any time. To qualify for the Wear and Tear Warranty, the original wallet must be sent back to Ansix Designs. Alternatively, proof of destroyed wallet has to be shown to Ansix Designs. Any abuse of this Wear and Tear Warranty will not be accepted.
