

Solar LED Tall Floor Lamp

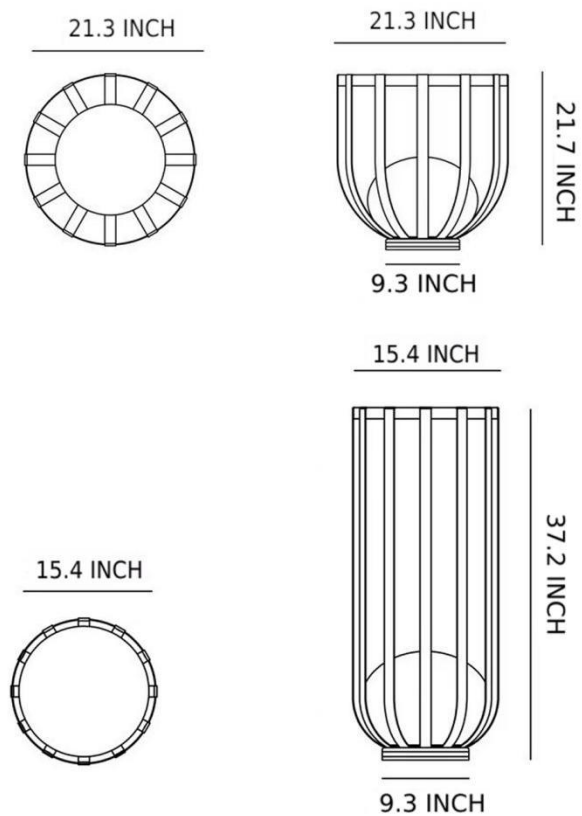

The Solar Outdoor LED Floor Lamp is a contemporary piece of Spanish design, and their well-known blend of wit and poetry can be seen in the composition. Cleverly arranged, it can be used in versatile ways, with a removable top that can hold plants or décor above the caged bodice and a softly glowing orb within. Setting the mood is easy with our Outdoor LED Tall Floor Lamp, both as a solo piece or when displayed in multiples for added drama.

Charging Your Lamp:

- Allow the lamp to charge in direct sunlight for 6-8 hours before first use.
- The lamp's LED indicator will show when it's fully charged.
- Avoid placing the lamp in shaded areas as it may affect charging efficiency.

Maintenance and Care:

- Clean the solar panel regularly with a soft, dry cloth to ensure optimal charging.
- Store the lamp indoors during extreme weather conditions to prevent damage.

Battery Maintenance:

- Our lamps use long-lasting, rechargeable batteries. Refer to the manual for battery specifications and replacement instructions.
- Dispose of old batteries responsibly.

Safety First:

- Do not place the lamp near flammable materials.
- Handle the lamp carefully to avoid breakage or injury.

Troubleshooting:

- If the lamp is not functioning properly, consult the troubleshooting section of the manual. For additional assistance, our customer support is always ready to help.
