- 3 - Opening or removing covers may expose you to dangerous voltages or other hazards and will void the manufacturer's warranty.
- 4 - To prevent risk of fire or electric shock, avoid overloading wall outlets, extension cords, or integral convenience receptacles.
- 5 - Lightning storms Unplug this apparatus during lightning storms.
- 6 - Object and liquid entry: Never insert objects of any kind through the openings of this apparatus, as it may touch dangerous voltage points or short-circuit parts that could result in a fire or electric shock. Care should be taken so that objects do not fall and liquids are not spilled into the apparatus through openings in the enclosure.

	CAUTION RISK OF ELECTRIC SHOCK, DO NOT OPEN	
Caution: To reduce the risk of electric shock do not open this device, there are no serviceable parts for customers. Please refer any maintenance or repair to qualified personnel.		
	This sign means the existence of dangerous voltage inside the unit, which states a risk of electric shock.	
	This sign means that there are important instructions of operation and handling in the manual that comes with this device.	

	WARNING	
THIS PRODUCT MAY CONTAIN MINISCULE AMOUNTS OF CHEMICALS INCLUDING DEHP, WHICH ARE KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS OR OTHER REPRODUCTIVE HARM WWW.P65WARNINGS.CA.GOV		

NOTE: This unit may be submitted for changes in specifications, characteristics and/or operation without prior notice to user, in order to continue improving and developing its technology.

FEATURES

Meet the Gemini BeatGrip Magnetic Bluetooth Speaker – a perfect blend of portability and performance. Crafted for modern lifestyles, this handheld speaker boasts a magnetic base for effortless attachment to any metal surface, offering you the freedom to enjoy music anywhere you go, rain or shine. With IPX6 weather-resistant design, it ensures durability even in wet conditions. Immerse yourself in high-quality audio, whether you're grooving to your favorite tunes or taking calls via the built-in speakerphone. The BeatGrip's 2600mAh battery ensures uninterrupted music with playtime up to 12 hours, making it your ideal companion for outdoor adventures or cozy indoor moments. Additionally, its vibrant LED party light sets the mood for any occasion. Elevate your audio experience with the Gemini BeatGrip Magnetic Bluetooth Speaker – where style meets functionality.

MAGNETIC DESIGN WITH LED LIGHT

Effortlessly attach to metallic surfaces for hands-free listening. The built-in LED light adds ambiance to your music experience.

WIRELESS CONNECTIVITY

Seamlessly connect with your devices via Bluetooth for up to 12 hours of continuous playback. Answer calls with the built-in microphone.

PREMIUM AUDIO PERFORMANCE

Enjoy crystal-clear sound quality with the BeatGrip's powerful speakers, perfect for music, podcasts, and calls.

WEATHER-RESISTANT

Designed to withstand outdoor elements, making it ideal for various activities and environments.

PORTABLE AND VERSATILE

Compact and lightweight design, perfect for on-the-go use. Features TWS Wireless Pairing between two units for an enhanced sound experience.

PRODUCT OVERVIEW

PRODUCT OVERVIEW

1		Long press 2s: Power on/off Short press one time: Play/Pause; Pick up/Hang up call Short press twice: Switch LED lighting mode Short press 3 times: Protect call privacy; Reject incoming call; TWS connect/disconnect

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. The operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the FCC Rules. This equipment generates uses and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, which can be determined by turning the equipment off and then on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to a different outlet so that the equipment and receiver are on different branch circuits.
- Consult the dealer or an experienced radio/TV technician for help.

FCC ID: 2AE6G-BEATGRIP

LEGALITY & SAFETY

The device is not intended for use by people (including children) with reduced physical, sensory or mental capacity. People who have not read the manual, unless they have received an explanation by someone responsible for their safety, should not use this unit. Children should be monitored to ensure that they do not play with the device. The device should always be readily accessible. The device should not be exposed to water. No objects filled with liquids, such as vases, shall be placed on the device. Always leave a minimum distance of 10 cm around the unit to ensure sufficient ventilation. Open flame sources, such as candles, should not be placed on top of the device. The device is intended for use only in a temperate climate. At full volume, prolonged listening may damage your hearing and cause temporary or permanent deafness, hearing drone, tinnitus, or hyperacusis.

Listening at high volume is not recommended. One hour per day is not recommended either. Danger of explosion if battery is incorrectly replaced or not replaced by the same type or equivalent. The battery should not be exposed to excessive heat such as sunshine or fire. Different types of batteries, or new and used batteries, should not be mixed. The battery must be installed according to its polarity. If the battery is worn, it must be removed from the product. The battery must be disposed of safely. Always use collection bins to protect the environment.

The battery can only be replaced by the maker of this product, the sales department, or a qualified person. Switch the device off where the use of the device is not allowed or where there is a risk of causing interference or danger - for examples: on an aircraft, or near medical equipment, fuel, chemicals or blasting sites. Check the current laws and regulations regarding the use of this device in the areas where you drive. Do not handle the device when driving.

Concentrate fully on driving. All wireless devices are susceptible to interference which may affect their performance. All our devices conform to international/national standards and regulations, and we aim to limit user exposure to electromagnetic fields. These standards and regulations were adopted after the completion of extensive scientific research. This research established no link between the use of the mobile headset and any adverse effects on health if the device is used in accordance with standard practices. Only qualified people are authorized to install or repair this product. Only use batteries, chargers and other accessories which are compatible with this equipment. Do not connect incompatible products. This equipment is not waterproof. Keep it dry. Keep your device in a safe place, out of the reach of young children. The device contains small parts which may present a choking hazard to kids.

WARRANTY

A. Innovative Concepts & Designs LLC guarantees its products to be free from defects in materials and workmanship for one (1) year from the original purchase date.

Exceptions: Laser assemblies on CD Players, batteries, cartridges, and crossfaders are covered for 90 days.

B. This limited warranty does not cover damage or failure caused by abuse, misuse, abnormal use, faulty installation, improper maintenance, or any repairs other than those provided by an authorized Innovative Concepts & Designs Service Center.

C. There are no obligations of liability on the part of Innovative Concepts & Designs for consequential damages arising out of or in connection with the use or performance of the product or other indirect damages with respect to loss of property, revenues, of profit, or costs of removal, installation, or reinstallation. All implied warranties for Innovative Concepts & Designs, including implied warranties for fitness, are limited in duration to one (1) year from the original date of purchase, unless otherwise mandated by local statutes.

FUNCIONES

Conoce el altavoz Bluetooth magnético Gemini BeatGrip, una combinación perfecta de portabilidad y rendimiento. Diseñado para estilos de vida modernos, este altavoz de mano cuenta con una base magnética para sujetarlo sin esfuerzo a cualquier superficie metálica, ofreciéndole la libertad de disfrutar de la música dondequiera que vaya, llueva o truene. Con un diseño resistente a la intemperie IPX6, garantiza la durabilidad incluso en condiciones húmedas. Sumérgete en audio de alta calidad, ya sea que estés bailando tus canciones favoritas o atendiendo llamadas a través del altavoz incorporado. La batería de 2600 mAh del BeatGrip garantiza música ininterrumpida con un tiempo de reproducción de hasta 12 horas, lo que lo convierte en su compañero ideal para aventuras al aire libre o momentos acogedores en interiores. Además, su vibrante luz LED para fiestas crea el ambiente para cualquier ocasión. Eleva tu experiencia de audio con el altavoz Bluetooth magnético Gemini BeatGrip, donde el estilo se une a la funcionalidad.

DISEÑO MAGNÉTICO CON LUZ LED

Se adhiere sin esfuerzo a superficies metálicas para escuchar con las manos libres. La luz LED incorporada agrega ambiente a su experiencia musical.

CONECTIVIDAD INALÁMBRICA

Conéctese sin problemas con sus dispositivos a través de Bluetooth para obtener hasta 12 horas de reproducción continua. Responde llamadas con el micrófono incorporado.

RENDIMIENTO DE AUDIO PREMIUM

Disfruta de una calidad de sonido nítida con los potentes altavoces del BeatGrip, perfectos para música, podcasts y llamadas.

RESISTENTE A LA INTEMPERIE

Diseñado para soportar los elementos exteriores, por lo que es ideal para diversas actividades y entornos.

PORTÁTIL Y VERSÁTIL

Diseño compacto y ligero, perfecto para su uso sobre la marcha. Cuenta con emparejamiento inalámbrico TWS entre dos unidades para una experiencia de sonido mejorada.
