It uses high micro-frequency vibration, to reduce blockage and lays a solid absorption foundation for subsequent skin care. Use a warm compress on the back side to help improve blood circulation and promote essence absorption. The facial brush is waterproof and is safe for use in the bathroom.</p></div>	<div><div>Content</div><div><div>CONTENTS</div><div><div>Part Identification 2</div><div>Operation 3</div><div>Maintenance 5</div><div>Specification 6</div><div>Consumer Warranty 6</div><div>Warranty Card 7</div></div></div></div> <div>1</div>	<div><div>Part Identification</div><div></div><div><div>Button Operation</div><ul style="list-style-type: none">Short press the On/Off button for 1 second to start the device, and then long press the button for 2 seconds to turn off the device.Short press the On/Off button after startup to adjust different vibration intensity, 5 levels in total (default for startup is level 3).After the device is turned on, short press the function button to turn on/off the thermal massage function.</div></div> <div>2</div>	<div><div>Operation</div><div><div>Charging and usage times</div><p>When using it for the first time (for the first time or not used for a long time), please make sure to charge it first.
