4. If you experience discomfort, stop using the product immediately.
5. Do not wash the unit using organic solvent such as thinner to prevent damage.

PRODUCT ILLUSTRATION

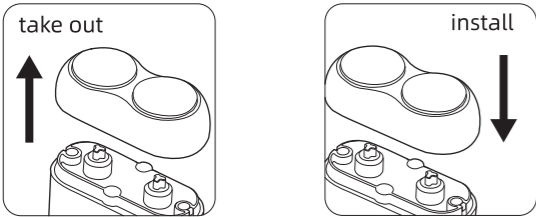

The picture is for reference only, the specific object shall prevail.

OPERATING THE PRODUCT

Replace the cutter head assembly

- 1.It is recommended to turn off the shaver before removing the cutter head assembly by lifting it up.
- 2.Install the new cutter head assembly by pressing it downwards onto the body to complete the replacement.
- 3.The cutter head assembly has a magnetic design, allowing it to be installed directly regardless of orientation.

Tip: The service life of the cutter head assembly depends on the frequency and duration of use. It is recommended to replace the cutter head assembly once a year.

Environmental protection and resource recycling
This shaver uses lithium batteries

This product is only suitable for home use

Built-in Rechargeable Battery Recycling Method
The built-in rechargeable battery in this product contains substances that may pollute the environment. When the appliance reaches the end of its service life, according to the laws and regulations of your region, the internal rechargeable battery may need to be removed for recycling and proper disposal.

How to remove the battery:

- ①Remove the cutter head assembly;
- ②Use a screwdriver to unscrew the two screws on the left and right sides of the middle cover;
- ③Remove the middle cover and use a screwdriver to unscrew the four screws on the waterproof cover.;
- ④Push the circuit board assembly out from the USB charging hole and cut off the battery's welded connections;
- ⑤Remove the battery.

Notice:

1. Before discarding the appliance, the need to removed.
- 2.Be sure to disconnect the power supply before disassembling the product and removing the battery.
3. Only remove the battery when it is completely discharged.
4. Do not connect the product to the power source after removing the battery.
5. Batteries should be disposed safely.

CONSUMER WARRANTY

Prospera offers a 90-day standard warranty on massage products. Labor and parts are included during the warranty period. Please provide the model number and dated proof of purchase (sales receipt) when contacting Prospera for warranty service.

Non-warranty service is provided on a “per incident” basis. The consumer will verify that the product has failed and provide information for servicing the unit. All applicable repairs, parts, shipping, handling, local tax and “per incident” fees will be charged for non-warranty repairs and support calls.
