

AIRCANDY

HEAVY-DUTY INFLATABLE
ARMCHAIR

INSTRUCTION & CARE MANUAL

GETTING TO KNOW YOUR REALTREE® AIRCANDY® ARM CHAIR

Congratulations on your purchase of the Realtree Inflatable Classic Armchair from AirCandy. It is comfortable, durable, and fully adjustable. Manufactured with heavy-duty PVC and 100% waterproof, the Realtree Inflatable Classic Armchair from AirCandy is ideal for use both indoors and outdoors.

Please inflate for your own comfort as it does vary from person to person. A full inflation will make the chair very firm and a slightly lower inflation will provide a beanbag-effect, allowing you to sink into the chair. Please use caution to not overinflate the chair.

INFLATING & DEFLATING YOUR AIRCANDY CHAIR

There are two nozzles on the bottom of the chair that need to be inflated. The outer nozzle controls the outer area of the chair and the inner nozzle controls the seat.

To Inflate:

Open your Inflatable Arm Chair and lay it out on a flat surface. Locate each air valve.

To Inflate with an Electric Pump:

Small Chamber with the Small Valve

To fill the small cavity, insert the slim nozzle of an electric air pump into the valve and turn the pump on. Make sure to push the nozzle past the flap inside the valve.

Note: Electric air pumps use high pressure. Be careful not to overinflate.

INFLATING & DEFLATING YOUR AIRCANDY CHAIR (CONT.)

To Inflate with an Electric Pump (continued):

Large Chamber with the Large Valve

To fill the large cavity, open the valve completely, exposing the largest valve opening. Insert the large nozzle of an electric air pump into the valve and turn the pump on. To add smaller amounts of air, open only the top portion of the large valve, and press a small nozzle of your pump past the flap inside the valve, and turn the pump on.

To Deflate:

Open the air valve to release the air. Punch the valve open for best results.

For fastest results, use an electric air pump with the hose in the 'Deflate' position.

Be sure to open the air valve completely.

WARNING:

Adult supervision required for inflation, deflation and maintenance. Follow all safety instructions to avoid serious injury.

- For household/residential use only.
- This chair is not intended for infants or persons with limited mobility.
- Place the chair in a safe area before use, making sure that there are no sharp edges, steps, drops, or breakable items nearby.
- Use on flat surfaces only. Do not use this chair on abrasive surfaces or near sharp or pointed objects.
- Keep this chair away from heaters, flames, sparks, or any heat source.
- Do not use this chair while using hot or sharp objects.
- Store your chair in a clean dry place at room temperature (above 50°F/10°C). Storing your Chair under 50°F (10°C) and over 100°F (38°C) may affect its performance and will not be covered under warranty.
- Do not jump on the chair.

CAUTION:

Do not place near sharp objects as this may cause damage to your chair.

LIMITED 30-DAY WARRANTY

B&D Group, LLC, warrants to the original consumer that its products are free from any electrical or mechanical defects for a period of 30 days from the date of purchase. If any such defect is discovered within the warranty period, B&D Group, LLC. will repair or replace the unit free of charge upon receipt of the unit, shipping postage prepaid and insured to the factory address received from Customer Service. The warranty covers normal consumer use and does not cover damage that occurs in shipment or failure that results from alterations, accident, misuse, abuse, neglect, wear and tear, inadequate maintenance, commercial use, or unreasonable use of the unit. Removal of any panels voids all warranties. This warranty does not cover cost of repairs made or attempted outside the factory. Any applicable implied warranties, including warranties of merchantability and fitness are hereby limited to 30 days from the date of purchase. Expressed or incidental damages resulting from a breach of any applicable express or implied warranties are hereby excluded. Some states do not allow limitations on the duration of implied warranties and do not allow exclusion of incidental or consequential damages, so the above limitations and exclusions in these instances may not apply. The only authorized service center in the United States would be communicated from Customer Service. Ship the unit carefully packed, preferably in the original carton, and send it prepaid, and adequately insured. Include a letter detailing the complaint or issue, along with your daytime telephone number, name and address inside the shipping carton. If your warranty has expired and you want an estimated fee for service, write to Service@BandDGroup.com, specifying the model number and the problem.

PLEASE DO NOT SEND YOUR UNIT WITHOUT RECEIVING AN ESTIMATE FOR SERVICING. WE CANNOT STORE YOUR UNIT.

SECTION for RETAILER NOTES

Tape your purchase receipt here for safe keeping and your personal record.

Care, Maintenance & Storage

1. Inspect your chair prior to each use.
2. Keep your chair away from sharp objects. Large cuts or snags may not be repairable and will not be covered by your warranty.
3. In case of incidental damage to your chair, a repair kit has been included. Please follow repair instructions carefully as shown on the patch.
4. To clean your chair, use soap and water with a wash cloth. For covered chairs, please follow care instructions on the sewn-in label.
5. To store your chair, make sure it is deflated and completely dry. Store your chair in a clean, dry place at room temperature.

Service

For Customer Service or if you need to service your product please email: Service@BandDGroup.com. Please note the product model number, your name and phone number in the email message.
