- Do not throw this device into a fire or heat it. Do not charge, use, or store this device in hot places.
- This device has a built-in rechargeable battery that may heat up, catch fire or explode in high temperatures.
- If during use your skin becomes hot, red, or swollen caused by the light waves, immediately discontinue use and allow your skin to calm down.
- Do not use this device if you have a heat intolerance or your skin does not feel hot temperatures.
- Failure to comply may cause burns, electric shock, or injuries.
- Do not use this device if you have allergies, skin diseases/conditions, allergic contact dermatitis, or sensitive skin.
- Failure to comply may cause skin and body abnormalities.
- Do not use this device if you are pregnant, in your menstruation cycle, or post-partum.
- Failure to comply may cause skin concerns and hormone imbalances.
- Do not use this device in the following conditions or areas other than the head: if you feel unwell; while drinking alcohol or taking medicine; if you feel tired; if your skin has wounds, eczema, or is

Device Description

- ① Main Unit
- ② Charging Dock
- ③ Type-C Charging Cable
- ④ Instruction Manual
- ⑤ Power Button
- ⑥ RF Mode Button
- ⑦ Laser Mode Button
- ⑧ Vibration Mode Button
- ⑨ Intensity Level/Charging Indicator
- ⑩ RF Comb Touch-Points
- ⑪ LL-Laser Head
- ⑫ Type-C Charging Terminal

- Name: LaserBoost+
- Model No.: LL-LASER
- Input: 5V=1A
- Type of Battery: Li-polymer 3.7V 1000mAh
- Executive Standard: Q/XM1003-2020

Preparing for Use

- Turn ON-OFF
 - To Turn ON: Tap the power button twice to turn it ON and enter the standby mode.
 - To Turn OFF: With the device turned ON, tap the power button twice to turn it OFF.
- How to Use
 - To ensure the correct operation of this device, please read the instructions carefully before use.
 - Using Instructions
 - Tap the power button twice to turn the device ON with a sound. Once the device is ON, the RF - laser - vibration mode buttons light up. Select the mode/s according to your needs by tapping twice the mode/s you want to use. If you do not select a mode, the device turns OFF automatically after 1 minute. (Picture 3)
 - When charging the device, the white intensity level indicator flashes. When fully charged, the white charging indicator lights up continuously.
 - Low Battery Shutdown: All mode buttons flash 5 times with 5 beeping sounds. If the device battery is low or the device does not turn ON, please charge it.

- RF Radio Frequency Mode: With the device turned ON, tap on the RF touch button twice to activate the RF mode. The RF mode indicator starts flashing with a beeping sound. Every 8 seconds, the device emits a sound reminding you to move the device to a different area. This mode has 5 intensity levels. You can choose an intensity level that better fits your skin needs and tolerance. (Picture 4)
- Laser Mode: With the device turned ON, tap on the "L" indicator twice to activate the laser mode. The "L" logo starts flashing with a beeping sound. (Picture 5)
- Vibration Massage Mode: With the device turned ON, tap on the sonic indicator twice to activate the vibration massage mode. The sonic indicator starts flashing with a beeping sound. Every 4 seconds, the device emits a sound to remind you to change the area of use. This mode has 3 adjustable intensity levels. You can choose an intensity level that better fits your skin needs and tolerance. (Picture 6)
- Intensity Level Adjustment: You can only adjust the intensity level of the RF and vibration mode. Touch and slide the intensity level bar (slide up and down) to adjust the intensity level from levels 1-5. As you slide the intensity bar to adjust the intensity level, the intensity level lights will also increase/decrease with a beeping sound. (Picture 7)
- The device automatically turns OFF after 15 minutes with 3 beeping sounds.
- It is recommended to use this device once a day. You can use this device with scalp care products to promote hair absorption.

Cleaning & Maintenance

- Clean this device with a clean, slightly dampened cloth. Do not wash this device with water to prevent damage.
- Remove any hair or dust from the device and accessories.
- After cleaning the device with a dampened cloth, place it in a well-ventilated area to dry.

Disposal Information

This device has a built-in battery. If you decide to dispose of this device, please do not throw it in the common household waste. Make sure that you dispose of the battery at a proper recycling center.

- Please follow your local government regulations for the proper disposal of electronic devices and batteries. Proper disposal of your device helps to protect the environment and prevent a negative impact on people's health.

Product Management

- Storage
 - Do not place or store this device where it can fall or be pulled into wet areas to prevent external shock.
 - Do not clean this device with corrosive liquids to prevent discoloration and damage.
 - Store this device out of the reach of children. Operating this device is simple, and the LED light may cause harm or injury to children if they look directly at the light source.
 - This device has a lithium battery. Keep the device away from sunlight and store it in a dry location at room temperature (keep it away from hot and humid places). If you don't use the device frequently make sure that you charge it once every 6 months.

After-Sales Service

Problem	Possible Cause	Solution
The device is not working.	The battery is running low or out of power.	Charge the device as guided in this instruction manual.
The device is not charging.	The charging cable is not well connected to the charging dock or power source.	Check the connection between the charging cable and charging terminals to ensure they are well connected.

Note: If the device still does not work properly after using the above solutions, please stop using the device and contact LUNAMOUR.

- Warranty
 - Make sure that you receive an unopened box.
 - This warranty does not cover damages caused by the customer. In this case, the customer is responsible for covering the repair cost.

Warnings:

- CONTRAINDICATIONS:
 - Ask your doctor prior to using if you: Are taking prescription or over the counter drugs known to cause light sensitivity. Are, or suspect you are, pregnant.
- Have any suspicious or cancerous lesions.
- Please read the instructions carefully before use and use this product in the correct order.
- If not in use for a long time, please make sure that the instrument is fully charged.
- Please stop using it immediately when there is abnormal heat, so as not to cause burns and fires and other safety issues.
- When the power cord is damaged, please do not use it to avoid short circuit and fire.
- DO NOT submerge the device into water as it will malfunction and/or cause injury.
- DO NOT place near flammable materials (spray, oil, natural gas, etc.)
- If product has abnormal noise, odor, or smoke, do not disassemble it at will, please contact the customer service email: hello@lunamour.co.

What is Not Covered by this Warranty?

- Hair Growth Brush when purchased through an authorized partner is not covered by the warranty period. Your warranty is valid for you alone, the original purchaser, and cannot be transferred. To validate your warranty, please keep your original purchase receipt together with these warranty conditions for the duration of the warranty period. If the product was a gift, obtain a copy of the original receipt or have the original purchaser process the warranty claim on your behalf.
- What is Not Covered by this Warranty?
 - Heat diseases, high fever, infectious diseases, malignant tumors, skin wounds, acute diseases, using medical appliances, skin diseases, pregnant women and/or breastfeeding, excessive sunburn, particularly sensitive skin, and those who are in the hospital.
 - Please consult your doctor prior to use if you are, or suspect you are, pregnant.
 - Please consult your doctor prior to use if you have, or suspect you have, cancer.
 - Do not use device on open wounds.
 - Do not use this device on skin that is painful to touch, raised higher than the surrounding skin, crusting, inflamed, or bleeding. This may be a sign of a more serious condition and should be treated by your doctor.
 - No modification of this device is allowed.

If the product is faulty, please contact the customer service center, please do not disassemble or modify the machine by yourself. Do not use this device where it would come in contact with water. Do not use or charge device with power adapter that is damaged and/or faulty. Do not harshly bend or abuse the wire of USB charging cord. Do not attempt to take the device apart. Device is not serviceable by user. This will void any warranty.

Stop using the device immediately if you think it is defective. Please contact Client Care at hello@lunamour.co

Product Representation:

LUNAMOUR is constantly improving its products with the latest technology. As a result, the actual product may differ slightly from the product shown in the images on the packaging and in the user guide.

WARRANTY INFORMATION:

Please use this as your reference for any customer service or warranty needs you may have when the device is purchased within the United States. When purchasing outside the United States, please contact your place of purchase for local warranty information. Our warranty is limited to the terms set out below:

To the maximum extent permitted by applicable law, LUNAMOUR disclaims all implied warranties. In no event shall LUNAMOUR be liable for any special, incidental, consequential, punitive, or indirect damages based upon breach of warranty, breach of contract, tort (including negligence or strict product liability), or otherwise, even under the UMGRA as advised or aware that such damages may arise. Such damages include, but are not limited to, loss of device, cost of any substitute equipment, the claims of third parties, or damage to property.

If the applicable law does not allow limits on warranties, or on the remedies for breach in certain transactions, the limits in this paragraph and the disclaimer or exceptions from warranty may not apply. This limitation does not apply to claims for death or personal injury caused by a defect in the device or any other liability that cannot be excluded or limited by law.

These warranty terms, conditions, and limitations allocate the risks of product failure between LUNAMOUR and you. The purchase of a LUNAMOUR branded device. This allocation is recognized by both parties and is reflected in the price of LUNAMOUR branded device. By using the LUNAMOUR branded device, you acknowledge that you have read these terms, conditions, limitations, understand them, and are bound by them.

WARRANTY LIMITATION & DISCLAIMERS

This warranty gives you specific legal rights and is in addition to your statutory rights. Your remedies for breach of this limited warranty are limited solely to the repair and replacement of your device as set forth in this warranty statement.
