CarToonz vehicle requires 3 AAA batteries (not included)

CAUTION:  
 • Remove old batteries and replace with new batteries. Be sure to insert batteries correctly according to (+) and (-) symbols located in the battery compartment.  
 • Be sure to insert batteries correctly with adult supervision and always follow the toy and battery manufacturer's instructions.  
 • Do not mix old and new batteries.  
 • Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.  
 • Rechargeable batteries are to be removed from the toy before being charged.  
 • Non-rechargeable batteries are not to be recharged.  
 • Rechargeable batteries are only to be charged under adult supervision.  
 • Only batteries of the same equivalent type as recommended are to be used.  
 • The supply terminals are not to be short-circuited.  
 • Always remove weak or dead batteries from the product.  
 • Remove batteries if the product will be stored for an extended period of time.  
 • Please retain these instructions for future reference.
